If you direct Council to send either Rates or Water Accounts to a third party (including tenants or managing agents), please be aware that you (the property owner) will always remain legally liable for the payment of these accounts (regardless of any lease agreements or other agreements you may have with this party).  If you have multiple properties within Bellingen Shire, Council is unable to send accounts to separate addresses. Updating your address will apply to both rates and water service accounts for all properties held by the property owner(s).  Council has a legal relationship only with property owners in regards to Rates and Water Accounts and therefore in most circumstances will be unable to discuss account details (including the granting of payment extensions) with tenants or lessees.  Property owners are also liable for any penalty charges associated with overdue accounts including interest charges, reminder notice fees or water supply restriction fees.					
	If Water Accounts are not paid by due dates the wat		oply may be restricted for non-payment and a fee will be			
	added and payable with any other outstanding account	charg	es before normal water supply will be reinstated.
